PROFILE

We at Choice come with a vast experience in the of providing comfortable seating solutions. We have put in a lot of effort and experimented with varied ingredients in bringing out the best for the ones who seek quality and comfort by presenting a whole series of chair s in the name of 'Choice'.

"Choice" Chairs are designed **ERGONOMICALY** and are teamed with **ECONOMIC** pricing to provide high quality chairs at very affordable prices without compromising on the quality.

'Choice' Chairs are fully certified for high quality 'BIFMA' standards. We are confident in providing the best, and are fully competent to fulfill the needs of our customers. With the increased capacity, we are delighted to be in a position to cater to a larger volume of clients, geared with our new facility all in a short period of time. The factory is situated in Bangalore, South India and Indoor MadhyaPradesh we specialize in customizing as per our buyers requirements. We strongly believe that "Change is the only thing constant in life" and aim to adhere to this principle meticulously. We have laid emphasis on two key factors while designing Choice Chair. Firstly, we uphold the safety of the user as a key parameter and the comfort needed to improve work efficiency of the person comes a close second. Improper body posture and badly designed chairs are the two major reasons for back pain which is becoming a common occurrence amongst young professionals (Working for 8 to 12 hours day) these days. Hence the inspiration is the craft itself strengthened by a passion for enduring forms. The work can be seen on the premises of clients related to architecture, interior designing, interior decorations, hotel projects and institutional projects.

Growing demands of cafes in India and the luxury comfort associated with it, makes us think deep towards fulfilling the needs of our clients and thereby giving our 100 percent in this new venture!

Our range of series includes top most comfort, exemplary style, effortless seatings and luxury beyond imagination, at affordable prices.
